ABOUT US

Sunshine Home & Kitchen Products Co., Ltd., located in the China hardware industry Base-Jiangmen City of Guangdong Province, with advanced production equipment and modern technical power, is a professional manufacturer of stainless steel door and glass hardware.

We cherish our business philosophy of "quality and development". To stay on top of the increasing competition. We continue the active and effective application of modern managerial expertise and specialists to keep improving. We concentrated on quality, thus we won the market with quality products, enabling us to be the choice of various distributors and users worldwide. We manufacture, make sure every detail we make satisfies you.

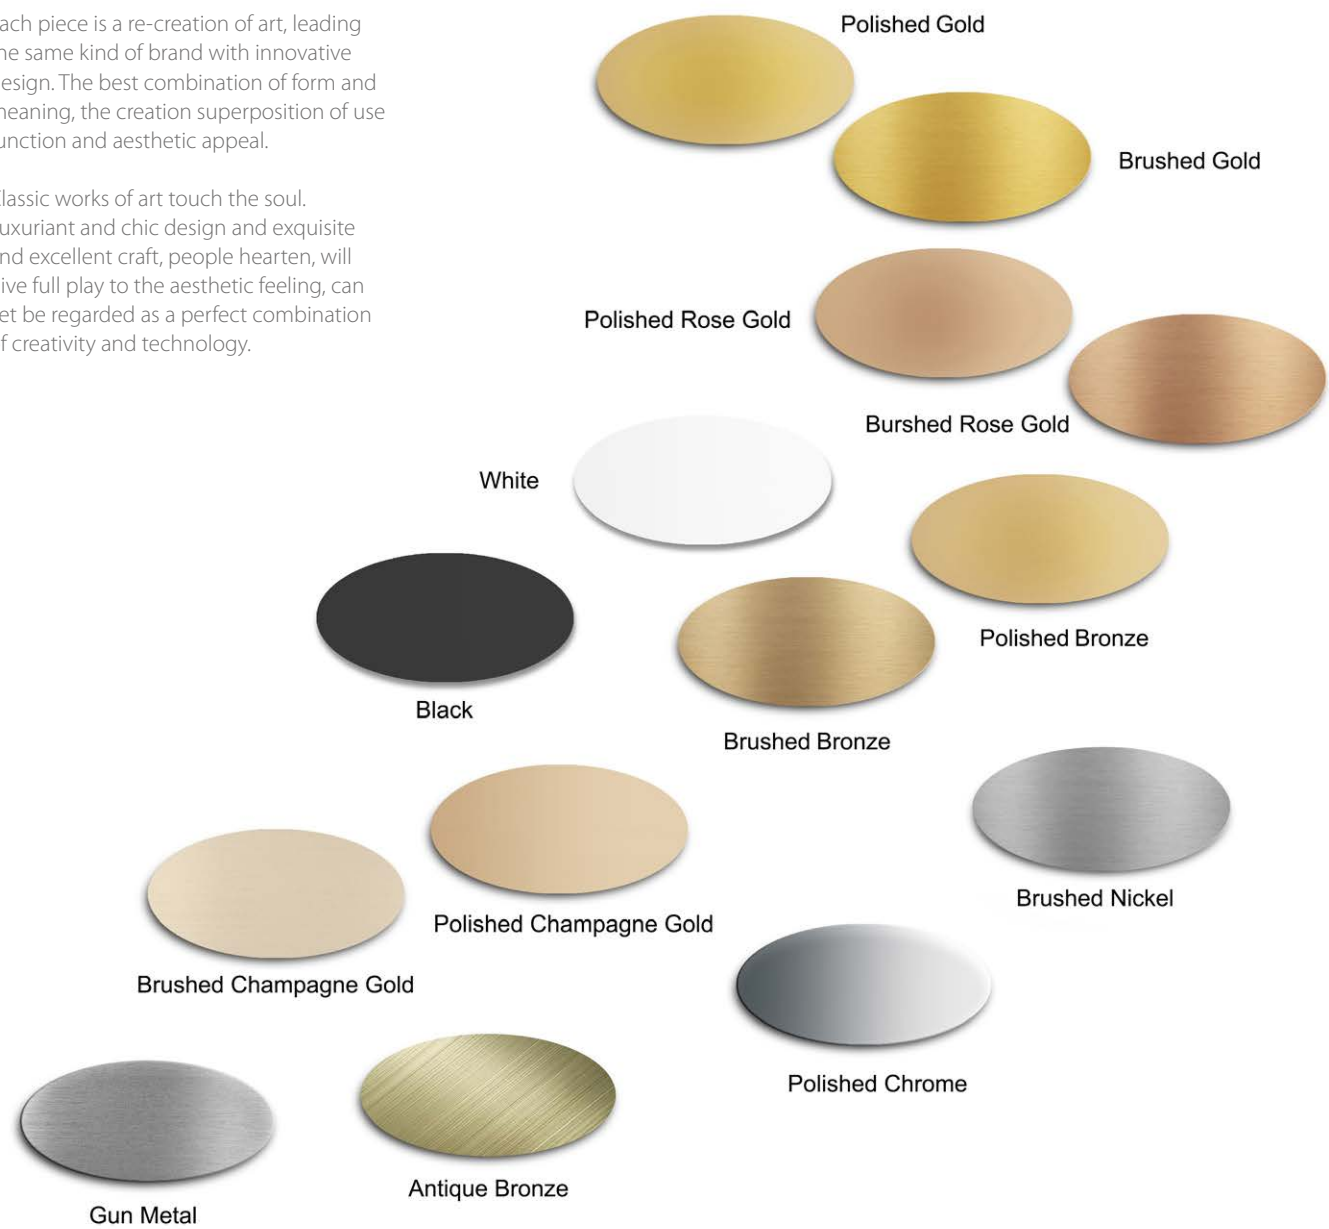

To bring forth original ideas to achieve transcendence. The development level of enterprise depends upon quality and speed of innovation. To achieve sustainable development with revolutionary conception, launch high quality products with innovative technology and shape its efficient team with pioneering management pattern, the boundless innovation energy has been a soul of growth. Which has reinforced its faith in developments. Innovation, more innovation without end...

ABOUT FINISH

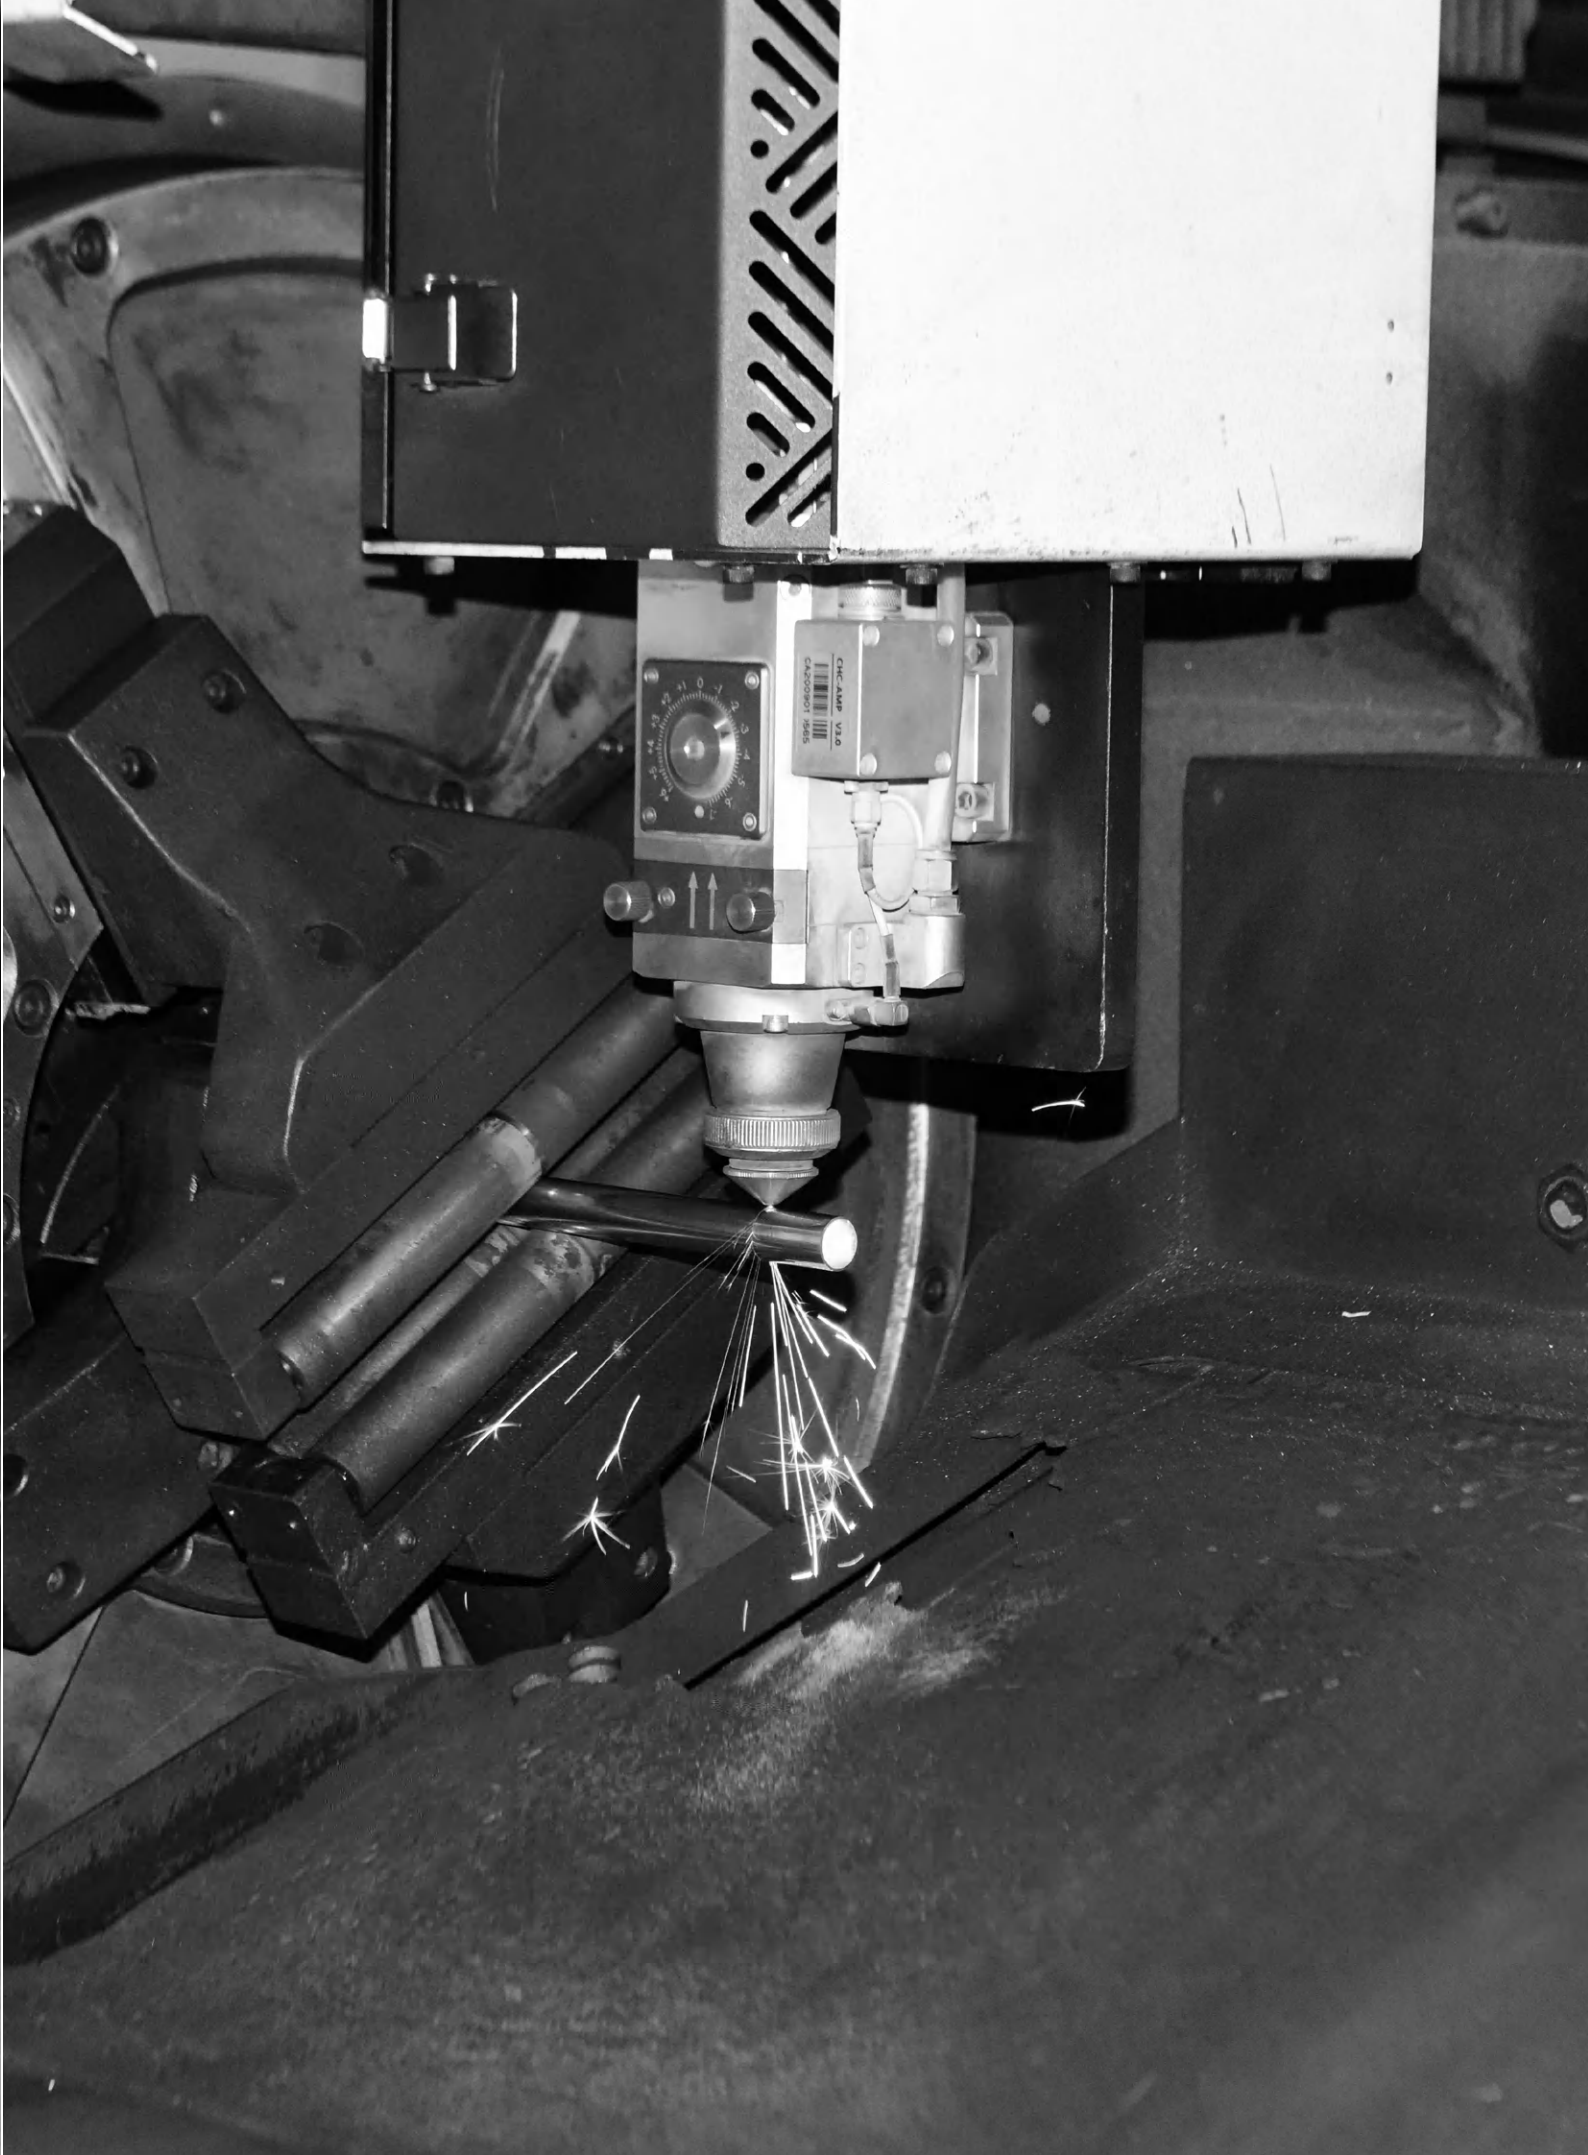

Color power is introduced in design, a day is enlightened through this colorful combination which reflects passion for life.

Each piece is a re-creation of art, leading the same kind of brand with innovative design. The best combination of form and meaning, the creation superposition of use function and aesthetic appeal.

Classic works of art touch the soul. Luxuriant and chic design and exquisite and excellent craft, people hearten, will give full play to the aesthetic feeling, can yet be regarded as a perfect combination of creativity and technology.

STAINLESS STEEL HANDLE ON BACKPLATE

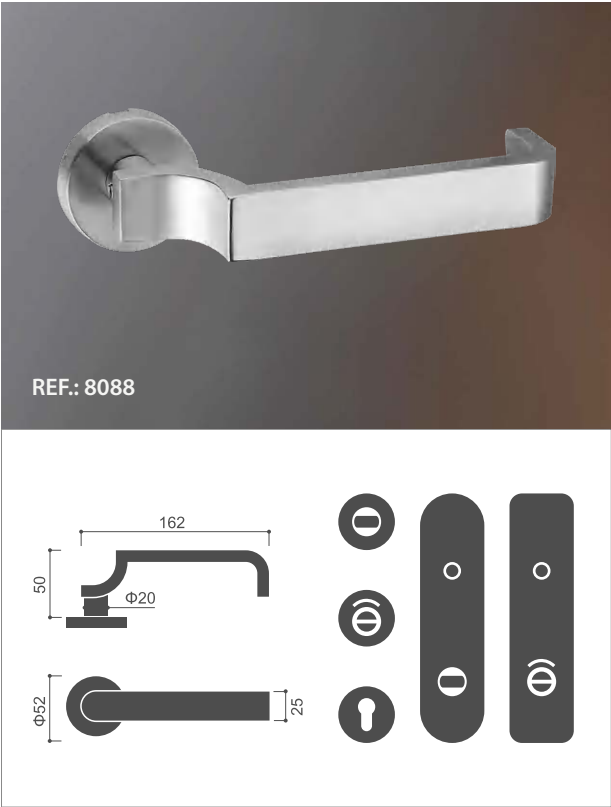

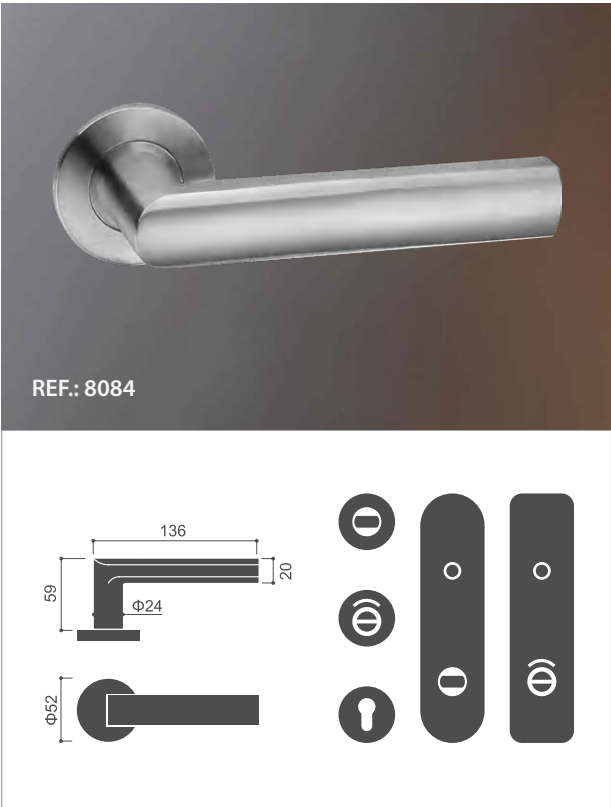

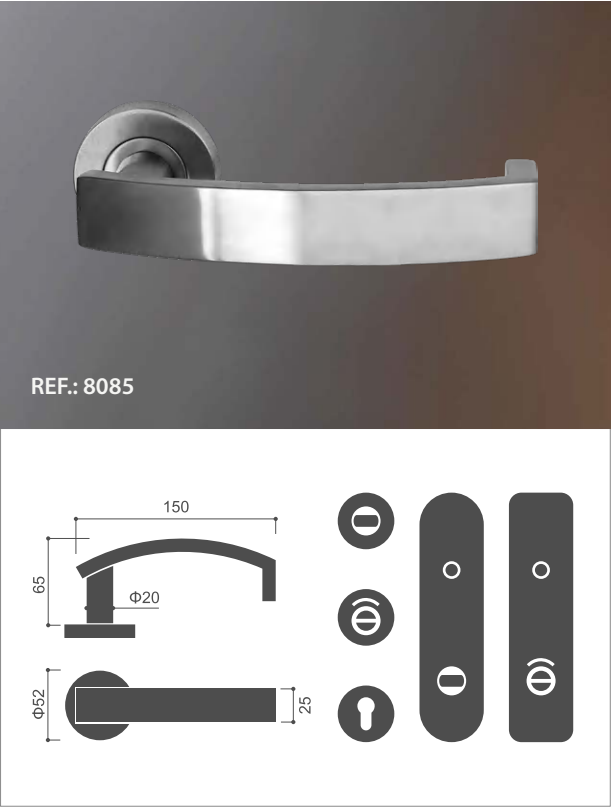

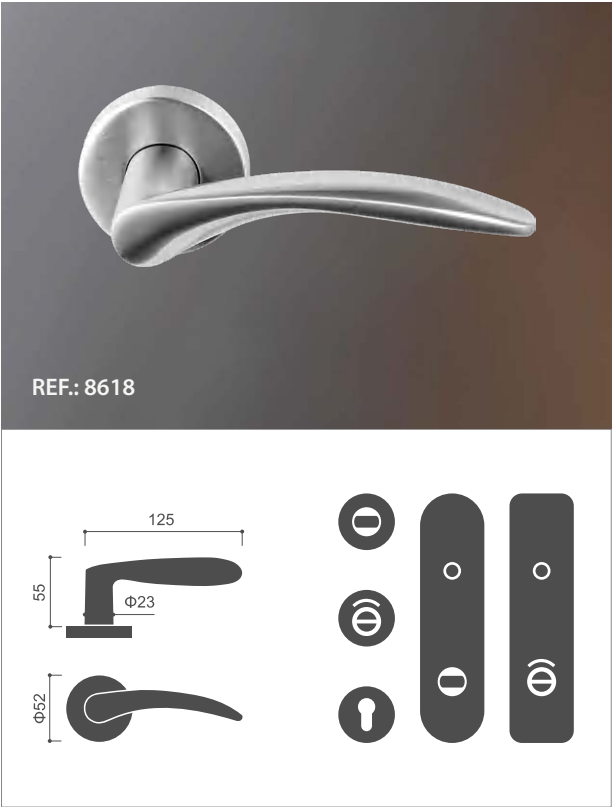

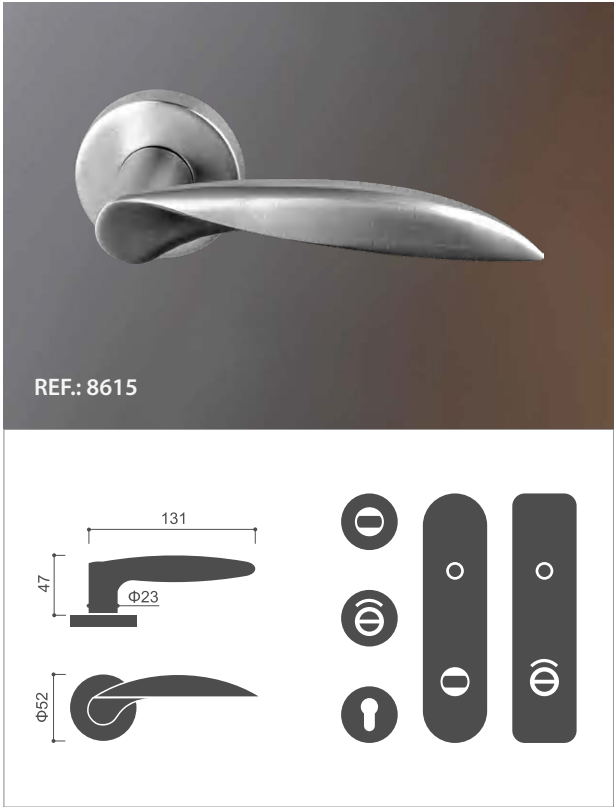

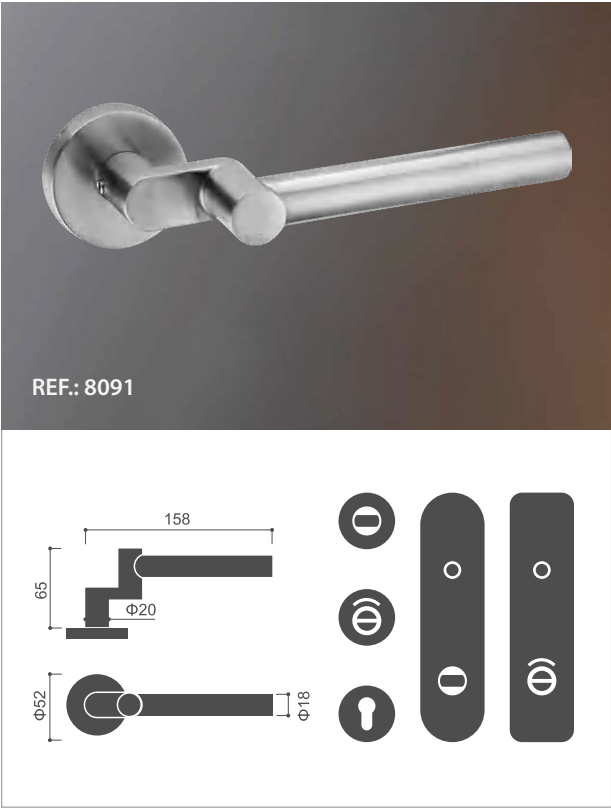

STAINLESS STEEL SOLID HANDLE

Design-led hardware that represents outstanding value for money without ever compromising on quality.

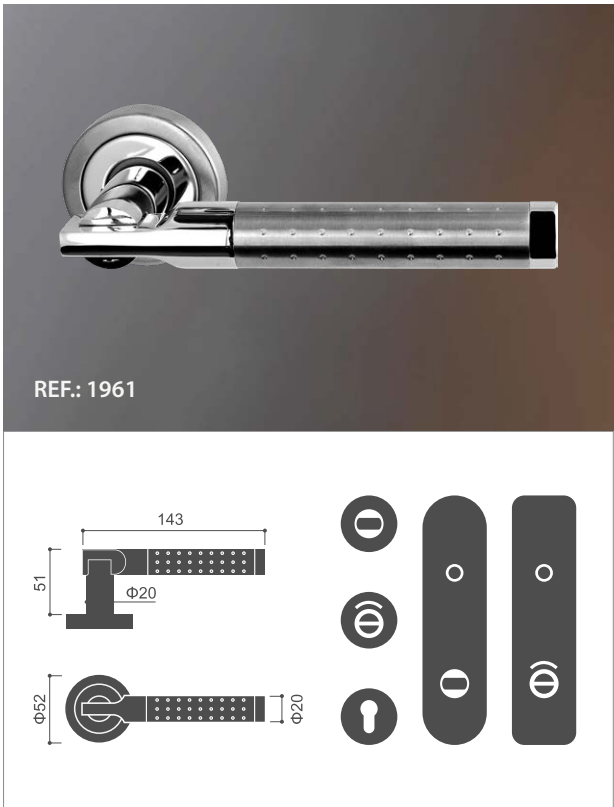

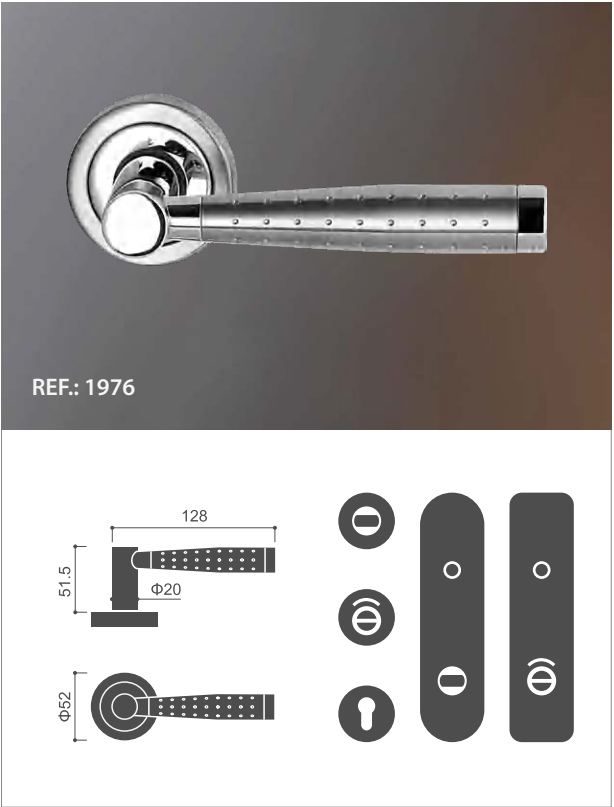

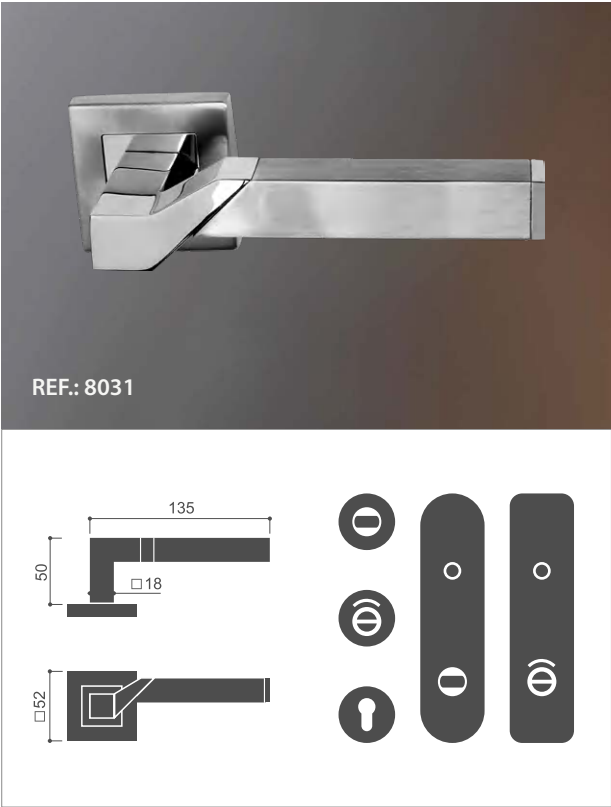

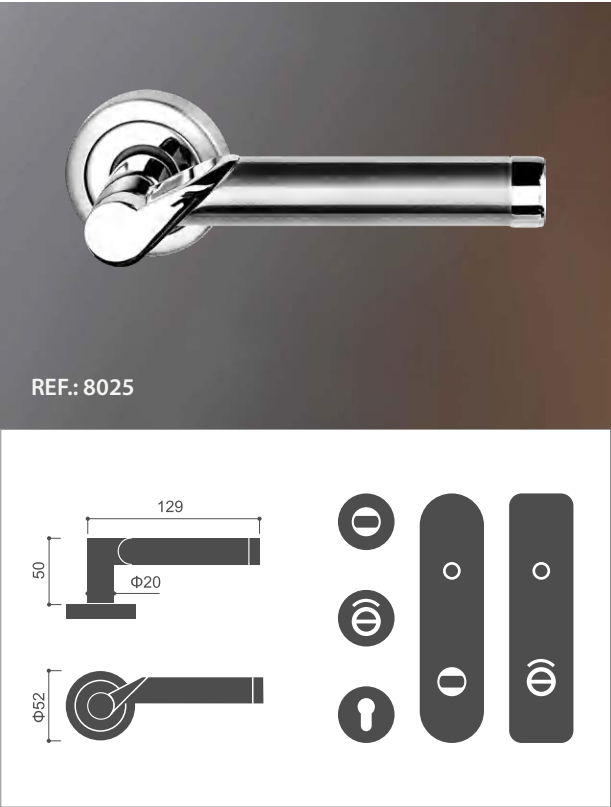

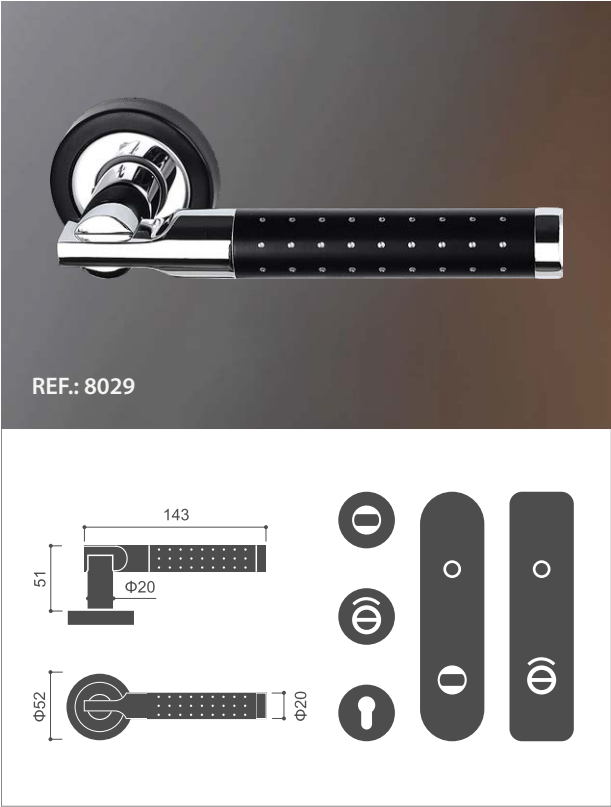

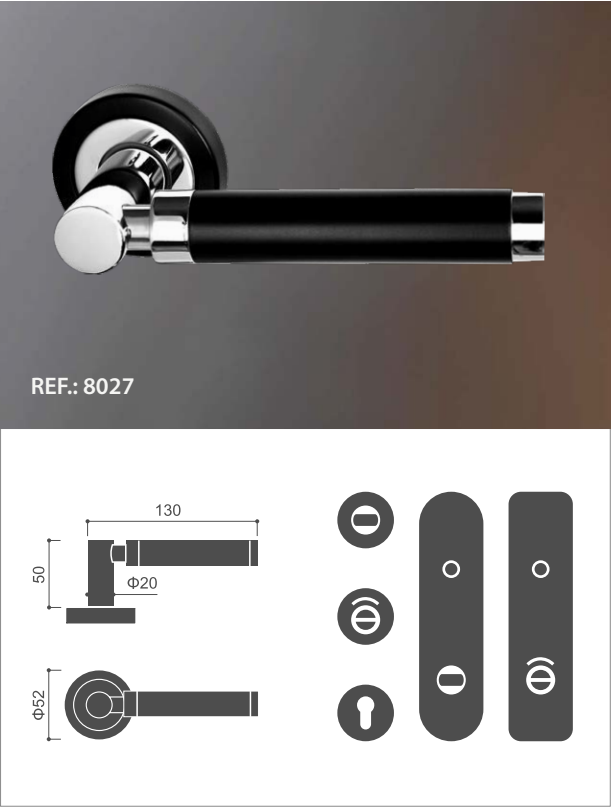

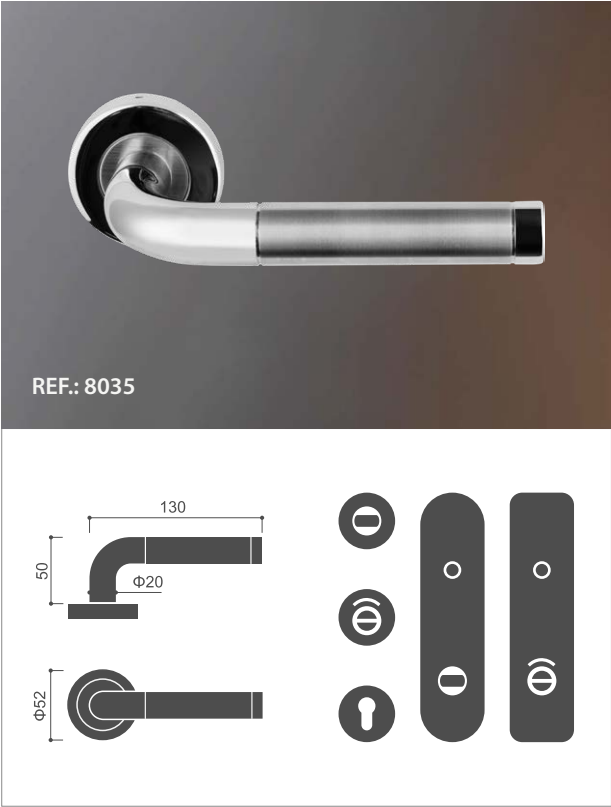

STAINLESS STEEL BICOLOR HANDLE

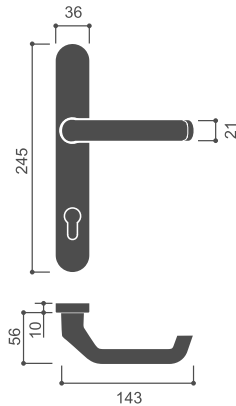

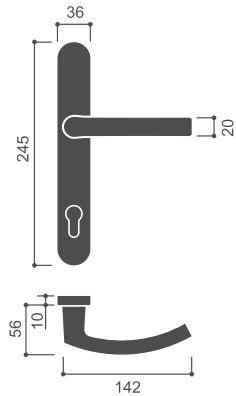

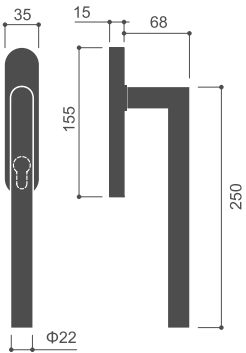

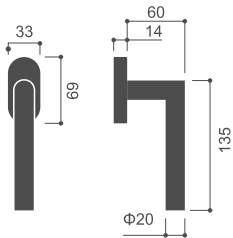

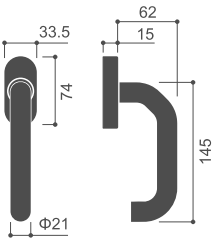

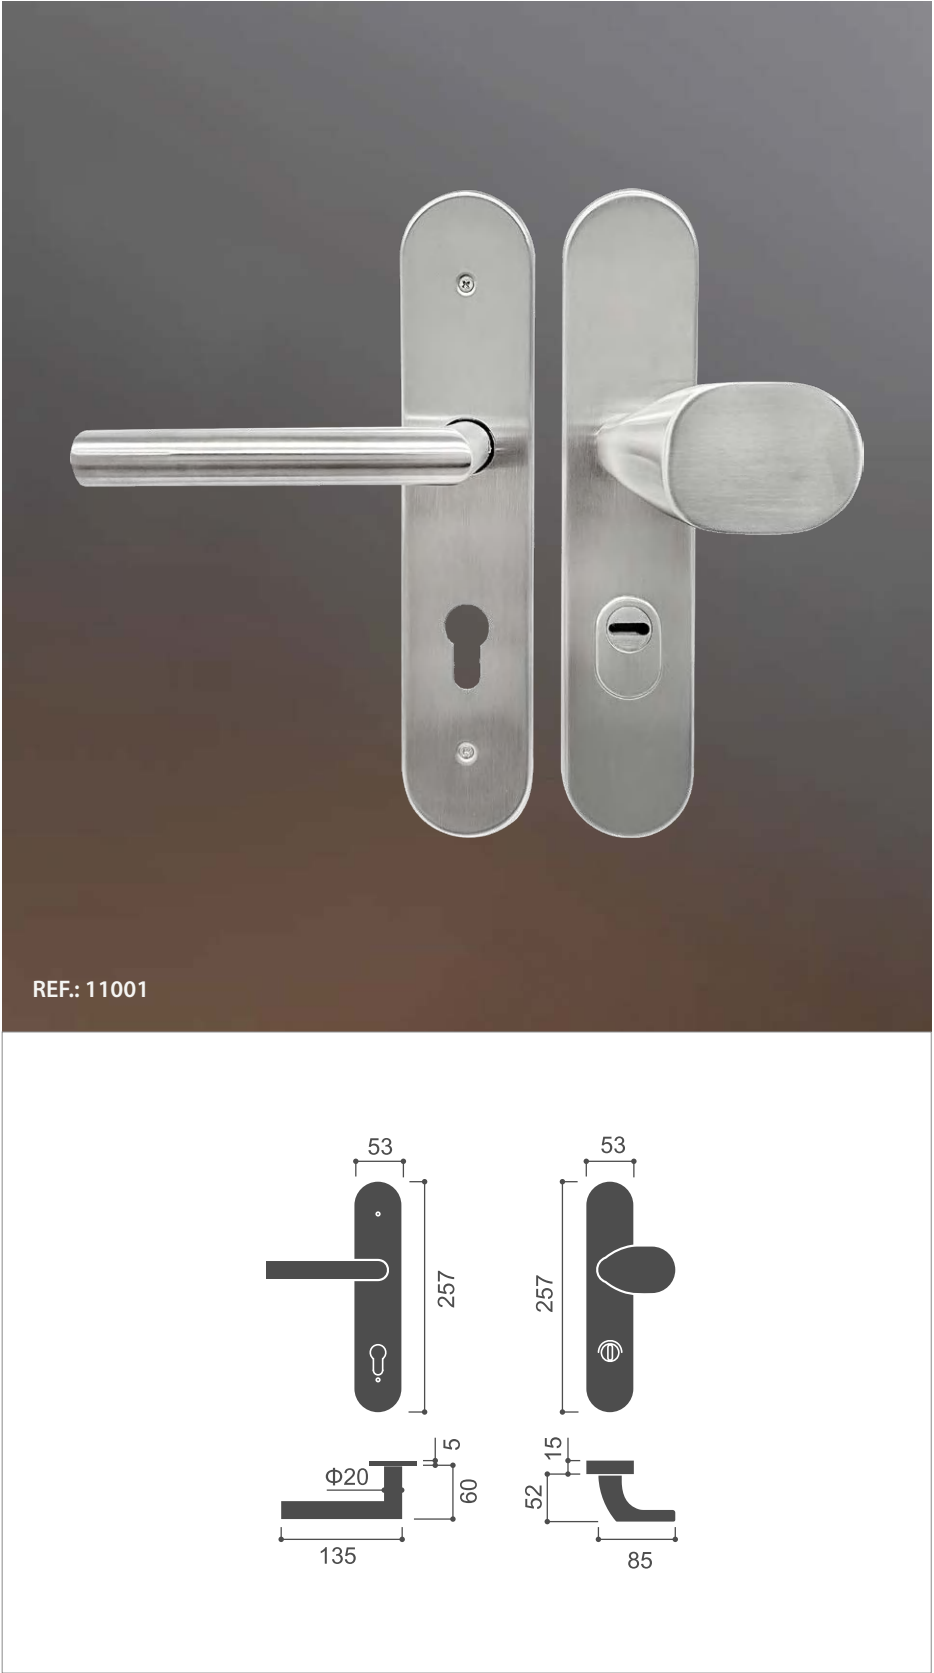

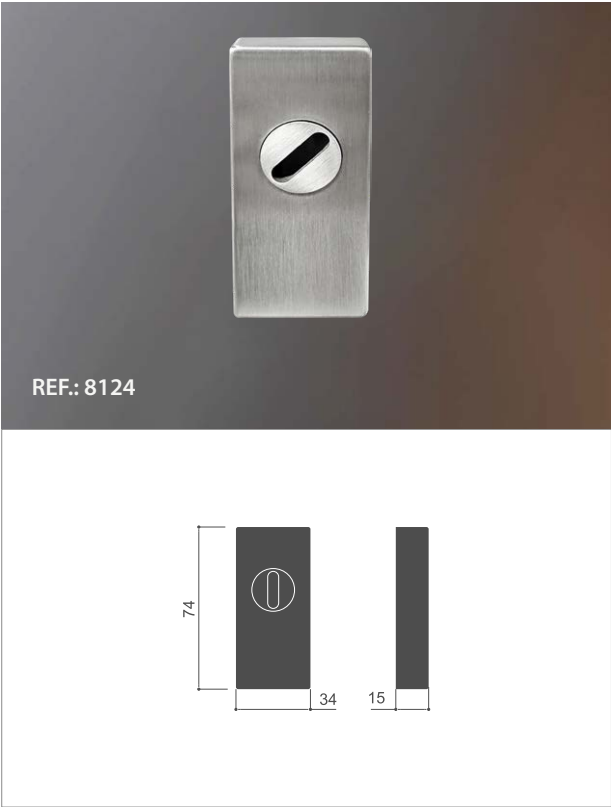

In the world of contemporary elegance, the color scheme is foundational to achieving the desired ambiance. Contrasting proper colors but may evoke a sense of refined grace.

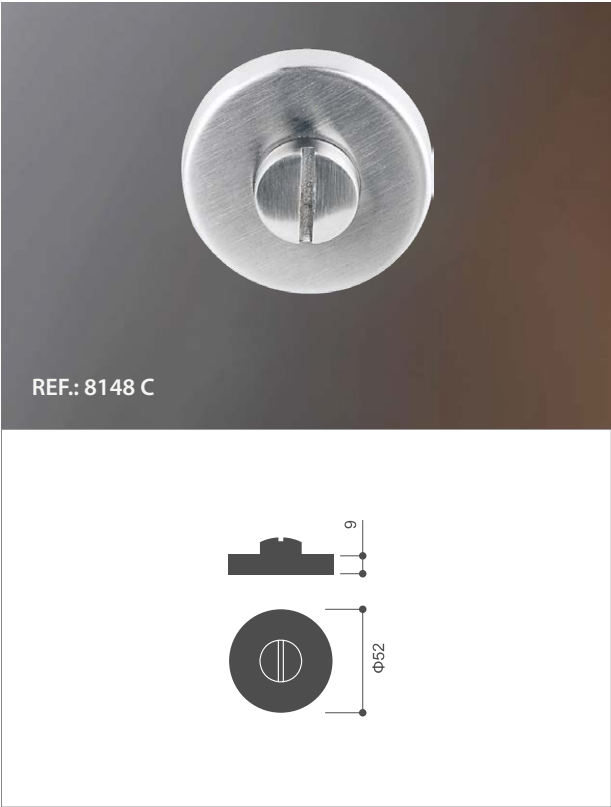

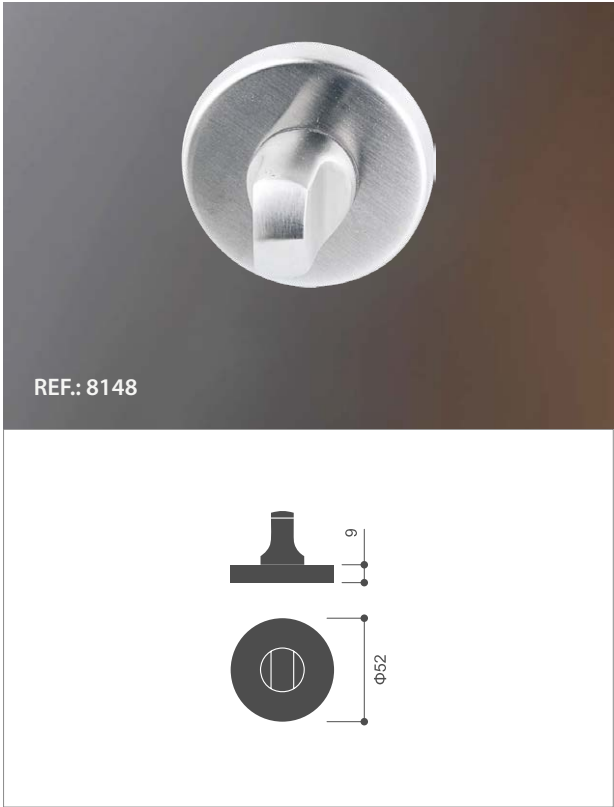

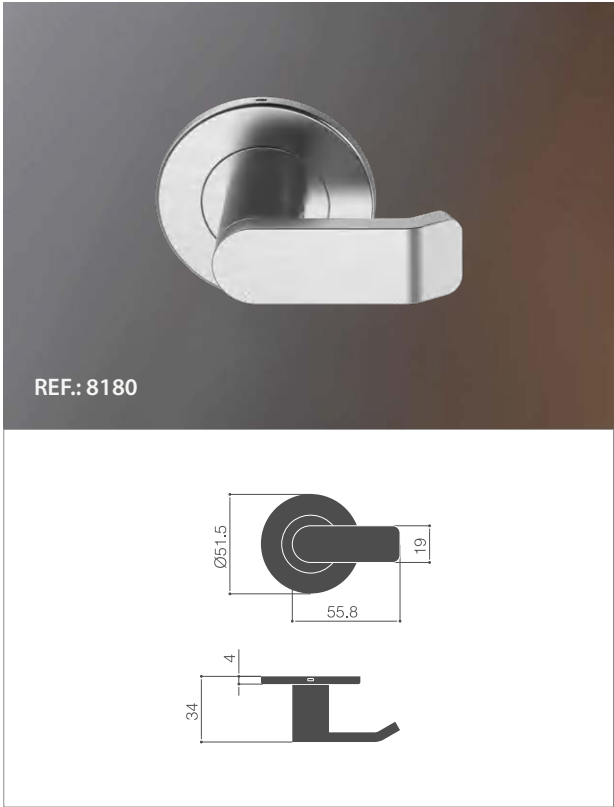

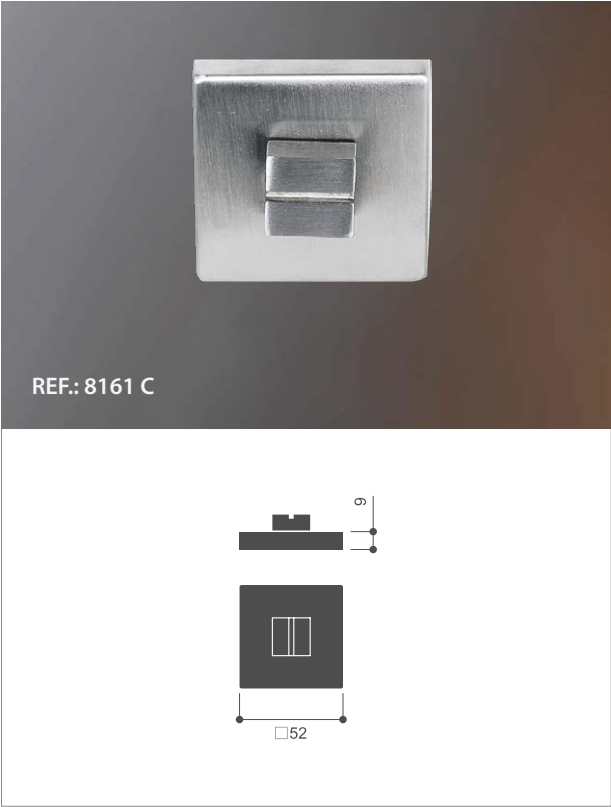

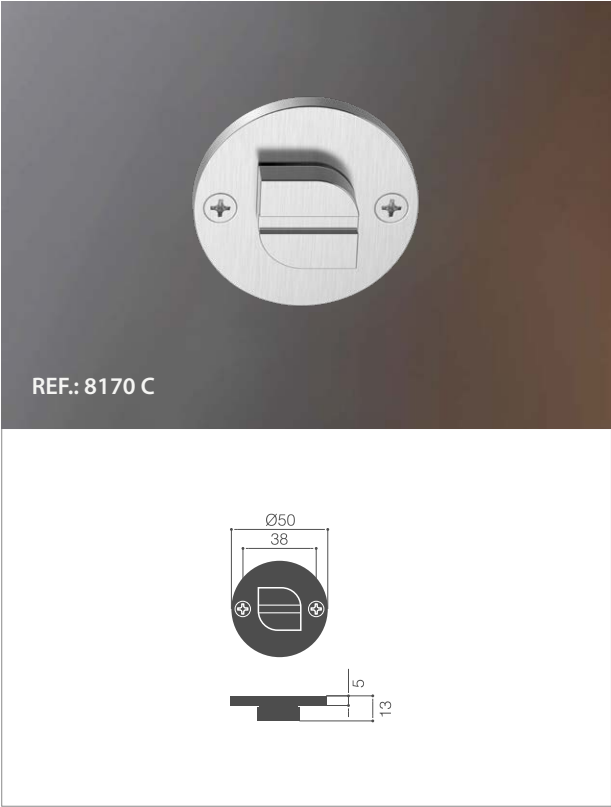

STAINLESS STEEL BICOLOR HANDLE

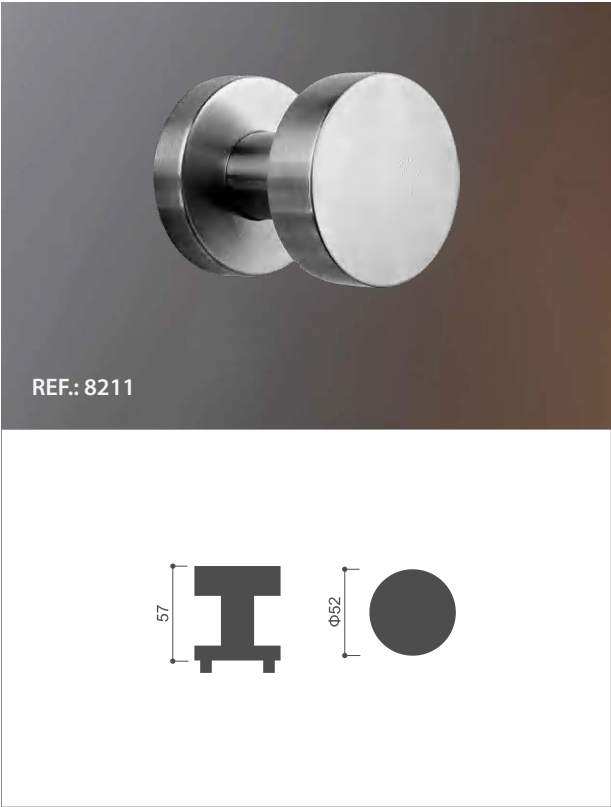

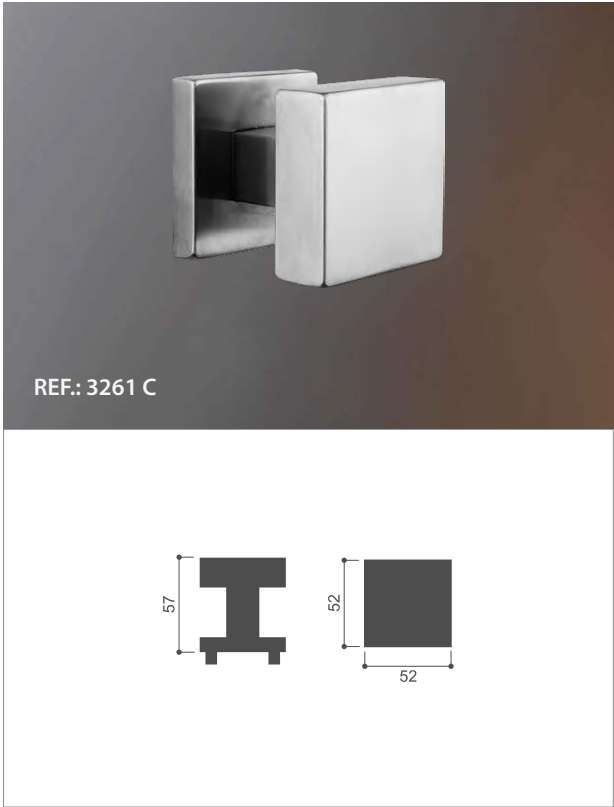

In the ever-evolving knob of door design, there lies a sweet spot where the echoes of history and the pulse of the modern world meet in perfect harmony.

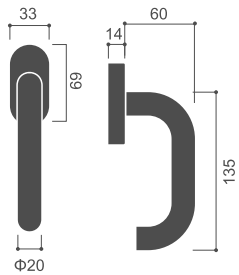

WINDOW HANDLE

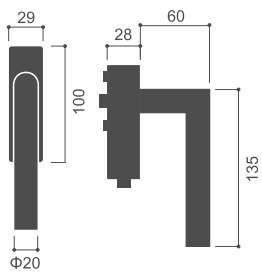

This is the realm of classic contemporary design, an aesthetic that effortlessly weaves together the rich narratives of traditional decor with the sleek minimalism of the modern age.
